Greater Boston Chinese Golden Age Center Activity Centers  
Notice of Reopening

We are pleased to announce that the Greater Boston Chinese Golden Age Center Senior Centers will be reopening on **June 1, 2021**. In-person activities such as Taichi, ESL, Tech Workshops, as well as grab-and-go and dine-in meal services will resume at limited capacity.

The safety of our visitors and staff is our greatest priority. A set of protocols in compliance with Massachusetts public health requirements have been put in place, including but not limited to requiring visitors and staff who enter our premises be masked, ensuring visitors maintain a 6-foot distance from each other, carrying out daily COVID-19 screening procedures on staff and visitors, regularly disinfecting surfaces and cooperating with public health officials in contact tracing if COVID-positive cases arise. We will also be modifying and updating our protocols in accordance with Department of Public Health updates to reduce the risk of COVID-19 infection.

Hong Lok House and Brighton House will be open for both dine-in and grab-and-go options, and in-person activities will be resumed with a 15-people capacity. Extra outdoor seating will also be available at Hong Lok House. Quincy Tower is open for grab-and-go breakfast and dinner, but dine-in and in-person activities are still closed at this point.
